Christian Walk

1. Below, please give a brief testimony of your Salvation Experience:
2. Below, please share a brief testimony about your current walk with God:

Statement of Faith

ABOUT THE BIBLE - That the Holy Scriptures contains all things necessary to salvation so that whatsoever is not read therein, or is not proved thereby, is not to be required of any man, and is not to be believed as an article of faith, or thought requisite or necessary to salvation. We do understand the canonical books of the Old and New Testament to constitute the Holy Scriptures. We hold these Scriptures to be the authoritative, inspired, and infallible written Word of God, fully inerrant in their original manuscripts. • **ABOUT GOD** - That there is one living and true God, eternally self-existent; and in the unity of the Godhead there are three persons of the same essence, attributes, and power, the Father, the Son, and the Holy Spirit. • **ABOUT JESUS CHRIST** - That Jesus Christ is the only begotten Son of God, conceived by the Holy Spirit, born of the Virgin Mary, very God and very man, two whole and perfect natures; and that He truly suffered, was crucified, dead and buried, and arose bodily and victoriously over sin and death. • **ABOUT SALVATION** - That Jesus Christ is the only and sufficient mediator between God and man, who by the sacrifice of Himself on the cross, provides a tonement for the sins of the human race; and that whosoever believes on Him as their own personal Savior will be pardoned, forgiven and saved. • **ABOUT MAN AND SIN** - That man was created in the image of God, but through transgression fell from that holy state and thus incurred spiritual death and depravity. Man is naturally engendered of the offspring of Adam, whereby his own nature is inclined to evil and that continually. His condition is such that he cannot turn and prepare himself by his own natural strength nor through good works without the prevenient grace of God in Christ; but by the grace of God working in man and with man, he may be faith in the merit of our Lord Jesus Christ and repentance for sin be regenerated by the Holy Spirit and be justified, so that he is delivered from the power of sin and enabled to love and serve Him with the will and the affections of the heart. • **ABOUT ETERNAL EXISTENCE** - That all those who reject salvation by grace through faith in the Lord Jesus are lost; and that there is a conscience existence after death - everlasting happiness for the saved and everlasting woe for the lost. • **ABOUT THE HOLY SPIRIT** - That the Holy Spirit is of one essence majesty and glory with the Father and Son, very and eternal God. • **ABOUT THE RESURRECTION AND RETURN** - That Jesus Christ rose from the dead and appeared on earth in a glorified body; that He ascended into heaven and is seated at the right hand of God to make intercession; that He will return literally, bodily, and personally to earth at God's appointed time; and that the blessed hope of His Second Coming is a powerful incentive to holy living. • **ABOUT THE CHURCH** - That the church is ordained as a congregation of the faithful in which the Word of God is preached, the sacraments of baptism and the Lord's Supper are duly administered, the believers are built up in the faith, and that the outreach ministry of the Great Commission is duly practiced.

By signing, I am indicating that any devotions, teaching of Bible lessons, answering spiritual questions, evangelism, etc., done during the Eastern Conference Camps will be in agreement with the above Statement of Faith.

Applicants Agreement

Responsibility of the Administration to the Camp Worker:
By the help of God we will attempt to do all we can to provide a safe, healthy environment where camp workers can minister to the physical, spiritual, and emotional needs of the campers. Further we will attempt to provide "free time" each day for the camp worker to use for personal needs. We will help the camp worker adjust to his/her responsibilities and to acquaint him/her with the camp's goals and philosophy. We will supervise and help the camp worker in any way that seems advisable. And though we do not pay our staff, we often provide honorariums for our senior camp workers. Should you accept any honorarium from the camp ministry you are required to report it on your state and federal tax returns.

Responsibility of the Camp Worker to the Camp:
By the help of God you are expected to be a constructive member of the staff, contributing in every way possible to the camp's health, harmony, and happiness. You will be expected to be loyal to the aims, policies, and regulations of the camp. In the majority of the instances you will be expected to live with the campers as companion and guide and assume some responsibility for their spiritual and physical welfare.

You will be expected to pray for each camper in your care daily; to seek to lead the unconverted campers to the Savior; and to help each Christian camper grow in the Lord, believing and obeying what he reads in God's Word.

You must be willing to go beyond the call of duty when needed; to be present at all camp staff meetings; to voice any criticisms to the director FIRST; and to take part in the camp follow-up program.

This agreement is signed prayerfully, understanding that its fulfillment is to the glory of the Lord.

The accused will be treated with dignity and support. Without clear and convincing evidence to the contrary, Camp Ministry personnel will assume that such complaints are made in good faith. Persons making such complaints should have no doubt that the Camp Ministry takes them seriously and will take appropriate action. Because we believe the campers are our most important concern, the Camp Ministry has adopted the following guidelines for reporting: (1) Treat each allegation of abuse seriously.
