

Building More Disciples One Day Workshop

You have heard the Great Commission to “go and make disciples”, but are you not sure where to start? If you answered yes, this workshop is for you! This workshop is open to EVERYONE who is ready to go forward in making disciples.

This interactive workshop is aimed at helping an average church member become a replicating disciple of Christ. The workshop will be led by Rev. Jimmy Cox, Southern Methodist Missionary. He works with SIM to provide training and pastoral care for those taking the gospel around the world.
